

## THE HOMMAGE STORY

begins with a simple premise: design a unique experience for men seeking a distinct personal grooming ritual to complement their lifestyle and transcend the everyday.

## THIS SINGULAR PASSION

for transforming a routine into an experience to be savored is the defining focus for HOMMAGE. It remains the foundation for every manifestation of the company since its inception.

Renowned European industrial designer and HOMMAGE Founder Wolfgang Joensson created the Monaco Shave Set; whose beauty is rivaled only by its performance.

## THE MONACO

became the founding expression of HOMMAGE and a unique experiential brand was born.

The clean, masculine design of the Monaco inspired our MONACO  
**SIGNATURE FRAGRANCE**  
which is at the core of every HOMMAGE performance-based skin care product.

## EXQUISITE PACKAGING

in distinguishing colors. The HOMMAGE iconic cobalt blue ShaveCare line offers formulations designed for an indulging shave experience. In charcoal our Black Label FaceCare line brings sophisticated technology to men's skincare. Advanced packaging designs have been specially created for travel and home use.

Pursuing the most **SELECT FORMULATIONS**  
throughout the world, HOMMAGE combines the finest natural ingredients  
and leading scientific advances in skincare. The results driven products work  
in harmony to dramatically enhance the performance and efficacy of the  
HOMMAGE skincare regimen.

With the creation of **DISTINCTIVE EQUIPMENT**  
such as the sleek Verona travel razor and the hand stitched leather Santiago shave set,  
HOMMAGE integrates modern, masculine design into a man's routine.

HOMMAGE's distinctive daily ritual has evolved into a  
**BESPOKE SPA EXPERIENCE.**

We have partnered with exclusive spas around the world to bring our uniquely masculine treatments for modern gentlemen into their transformative environments.

## HOMMAGE GROOMING ATELIERS

are the next evolution of bespoke grooming experiences. Our Ateliers are designed as modern, masculine environments in which discerning gentlemen may relax and recharge.

With a team of experts hand selected from around the world, HOMMAGE continues to develop products and treatments to enhance a man's wellbeing. The delivery of performance, experience, and design in every product and treatment is

**QUINTESSENTIAL HOMMAGE.**

HOMMAGE is the **NEW STANDARD** in men's grooming
